

# Brant Broughton and Stragglethorpe

## Produce Show

**Saturday 26<sup>th</sup> Sept 2015**

According to our calculations and with the help of the old Village Show Committee we have calculated the 2015 Produce Show will be the **16<sup>th</sup>** time the event has taken place. However if you have any other information could you let me know?

### **Are you interested in holding a garage sale or similar on Saturday 26<sup>th</sup> Sept?**

As part of the day there will be various events happening in the village and we will be producing a timetable nearer the time. These events will take place in different parts of the village such as the Fire Station, School, Church, Food Boutique, Generous Briton rather than just in one area. There will also be a map attached to the timetable so visitors can easily find where they need to be.

If you would like to hold a garage sale between 10 – 1pm and be included on the map please let me know (contact details below) by no later than **1<sup>st</sup> August 15.**

If a garage sale is not your thing but you want to raise money at your home for a charity and have an idea that might fit into the day please contact me. The aim of the day is to have a variety of activities for visitors and to spread them around the Parish.

There will be a small fee of £3 for inclusion on the map etc to cover printing and advertising costs.

Hope to hear
